## **Location:** St. Peter

Perfectly positioned to enjoy the best of Barbados, the Battaleys Mews resort community is conveniently close to the buzz of historic Speightstown and the sophisticated pleasures of Holetown and less than 500m from the celebrated Mullins Beach.

The classic colonial-style architecture features a free-flowing Caribbean design with large covered terrace, tropical furnishings and breezy open plan layout which perfectly complements the lush tropical grounds. This townhouse offers more than 2354 square feet of high-quality, contemporary interior spaces, cleverly designed to encourage easy, inside-outside family living.

Besides the generous living and dining areas, the ground floor features a powder room and a fully fitted kitchen with luxury Italian fittings and European appliances. From the living area, french doors open onto a covered patio with spa pool and private garden.

A sky-lit, curved staircase rises through the heart of the house leading to the master suite, two further bedrooms and a family bathroom. The 257 square feet master suite has its own private balcony, fitted wardrobes and capacious bathroom, elegantly finished in Travertine limestone, with a bath and walk-in shower. The two additional bedrooms also feature fitted wardrobes and all bedrooms benefit from independently controlled comfort cooling.

This charming townhouse is further accentuated by the home entertainment system, outdoor dining terrace and plunge pool, main swimming pool, children's pool, a floodlit tennis court and treehouse lookout. At the front of this house is a driveway with ample room for two cars and an external storage area.

Management of communal facilities is provided by the staff who are on-site around the clock. As an owner, you can relax and enjoy your time here, without any worries about the maintenance of the grounds or your property.
