

# James Fort Building

Bridgetown, St. Michael

**\$3,250,000**

Ref: AR-559

The James Fort Building is a refurbished and well maintained 2-storey coral stone commercial building located in the heart of Bridgetown. The present structure is a warehouse which was built in the mid-19th century to store sugar and was superimposed on the existing fort. Now a National Trust building and also part of the World Heritage site, James Fort is now home to a variety of businesses and offers onsite parking to accommodate approximately twenty (20) vehicles. This is a an income generating property featuring commercial and retail offices with underground parking.
