Property Description

Location: St. James

Located within the lovely Carlton View Estate is Casa de Flores, a beautifully appointed family home on approximately half acre of fully mature, well manicured landscaped gardens. The property comprises of one building beautifully segmented into three distinct areas, the main house, cottage and a self contained apartment in the garden.

The house is fully enclosed and access is either through a pedestrian gate or electric gates. The main house and attached cottage share a double car garage which offers ample storage and just the right amount of separation for privacy.

The main house also includes a private maid quarters and large laundry room which leads naturally into the spacious kitchen. The kitchen is complete with modern Stainless Steel appliances with features such as a double oven.

“Casa de Flores” offers three generously sized bedrooms all with air-condition and ceiling fans. The master bedroom is en-suite with double vanities, jacuzzi soaker tub and walk in closet. The other two guest bedrooms are en-suite with one of the two rooms currently being used as a family room/office.

The two bedroom guest cottage has an inviting open plan living and dining area as well as a large covered patio to the front. The cottage has been built to the similar specifications of the main house and keeps the same high end finishes throughout. The kitchen comes with its own wine fridge, oven and center island, a perfect spot to gather with friends and family while cooking and entertaining. The cottage also features two bathrooms and its own private laundry room.

The entertaining area around the full sized pool is an oasis, set within the tropical gardens. A perfect spot to barbeque or relaxing after a long day. The pool area is fully equipped with an outdoor kitchen and wet bar.

Just off the pool deck is a one bedroom, one bathroom apartment which offers an open concept living/dining, along with its own kitchen. The bedroom is fully airconditioned with a ceiling fan.

“Casa de Flores” offers a myriad of other features including an automatic generator, potable water storage tank for house, rainwater tank for garden, garden storage shed, security system with camera and intercom, burglar bars and hurricane shutters. “Casa de Flores” is a must see for clients looking to buy a turnkey home in Barbados.
