Located in the award-winning golf and beach resort of Royal Westmoreland, Lancaster Mews is a brand-new neighbourhood of timeless design two-storey resort homes with an array of unique features designed for luxurious and easy modern living.

The spacious mews-style villas have three en-suite bedrooms, a powder room, a large open-plan kitchen and living space with stylish furnishing, a covered terrace, a private swimming pool and parking. With nine ft. ceilings and large sliding glass doors, open indoor–outdoor living is seamlessly achieved.

The easy access to Royal Westmoreland's popular Pickleball and Padel courts, as well as a homeowner-only gym and doorstep access to the walking trails, makes this location the hub for fun activities with your own private oasis of a home.

Prices start at US$1,110,000 , making this the perfect opportunity to own a piece of paradise at the heart of one of the island's friendliest and most secure communities. If you're not yet ready to commit to full ownership, ask about the unique deeded, fractional ownership options as a stepping stone from renting to owning.
